Actually, on second thought it should be from both of you.

Thanks,

EPA Regional Administrators,

In the interest of ensuring national consistency, OECA and OAR are jointly issuing the attached memo to provide guidance to the regional offices on how to appropriately reference the 2018 “*Reclassification of Major Sources as Area Sources Under Section 112 of the Clean Air Act*” memo when responding to requests for a Clean Air Act MACT applicability determination.

Susan
